Emy,

I have an electronic version of the record drawings for the RCRA Landfill Closure dated September 1991. Would it be acceptable to email you the 16 sheets from the record drawings? Or do you require full prints of the record drawings?

Thanks,

Brian

Subject: EXTERNAL: Draft agenda for Martin-Marietta meeting on
2/5/13
Importance: High

Brian,

Here is a draft agenda for our upcoming meeting. One of the items listed is a discussion on the RCRA landfill. At our last meeting, EPA had requested engineering drawings of the RCRA landfill. We have yet to receive these drawings. Would you please update me on the status of those documents? It is important that we have a chance to review them before the meeting.

Let me know if you have any concerns with the agenda. Please feel free to call me before the meeting if any of the items are unclear.

Thank You,
Emy
